**Beijing, China**

**AnJie Law Firm**  
**Sector:** Law, Intellectual Property, **Website:** [http://en.anjielaw.com/](http://en.anjielaw.com/)

AnJie Law Firm was founded by a group of lawyers who are committed to providing high quality service to international and domestic clients. Anjie Law provides legal counsel in general corporate matters, private equity deals, cross-border merger & acquisitions, IP advice, employment, government policy, antitrust or regulatory matters, and high stake litigation or arbitrations. Anjie Law Firm has been recognized as one of China’s leading law firms in Intellectual Property law. Students will be mentored by Mr. HE Jing, a graduate of the Notre Dame Law School, and assigned to research projects related to his firm’s cases.

**Bill & Melinda Gates Foundation**  
**Sector:** Media, Communication, Advocacy, Philanthropy, Healthcare, [https://www.gatesfoundation.org/](https://www.gatesfoundation.org/)

We work with partner organizations worldwide to tackle critical problems in four program areas. Our Global Development Division works to help the world’s poorest people lift themselves out of hunger and poverty. Our Global Health Division aims to harness advances in science and technology to save lives in developing countries. Our United States Division works to improve U.S. high school and postsecondary education and support vulnerable children and families in Washington State. And our Global Policy & Advocacy Division seeks to build strategic relationships and promote policies that will help advance our work. Our approach to grant-making in all four areas emphasizes collaboration, innovation, risk-taking, and, most importantly, results.

**Caixin Media Company Ltd.**  
**Sector:** Media, Finance Journalism, **Website:** [http://english.caixin.com/](http://english.caixin.com/)

Caixin Media Company Ltd. is a Beijing-based media group providing financial and business news and information through periodicals, online content, mobile apps, conferences, books and TV/video programs. Caixin Media publishes four magazines, Century Weekly, China Reform, Comparative Studies and Caixin - China Economics & Finance. Caixin Media is well-regarded for its independent-minded, and in-depth journalism and for breaking important some of China’s most important news stories. Students hosted by Caixin often have the opportunity to participate in high-level press conferences and work on news releases of significant domestic and global importance. Students will be mentored by Mr. HUANG Shan, a Notre Dame alumnus, who is the deputy managing editor of Caixin Media.
Genesis Community Foundation  
**Sector:** Humanities, Arts, Real Estate, Architecture, Urban Planning, Social Entrepreneurship  
[http://www.genesiscommunity.cn/experience.html](http://www.genesiscommunity.cn/experience.html)

Genesis Beijing is a place where an open, multidimensional, and coexisting city culture grows. We focus on the relationship between urban development and human beings. Through sponsoring, holding, enriching intellectual, cultural, and artistic events, we infused humanistic spirit into the space and return the space back to people. We explore a new model of social practice for urban and humanistic establishment, focusing on community building, culture development, and spiritual nourishment. By creating community culture and constructing work space, cultural space, art museum, hotel, garden, and riverside amphitheater, we build a truly organic, self-organized, and open humanistic community to encourage participation of individuals, surrounding communities, and the wider public. Note: The Notre Dame Beijing Global Gateway is co-located within Genesis Beijing.

IBM China  
**Sector:** Hi-tech, IT, Marketing, [https://www.ibm.com/cn-zh/](https://www.ibm.com/cn-zh/)

International Business Machines Corporation (commonly referred to as IBM) is an American multinational technology company headquartered in Armonk, New York, United States, with operations in over 170 countries. IBM has a long history in China staring in 1926. In addition to its marketing and sales operations, IBM has a China Research Lab, China Development Lab, a Global Services Delivery Center, and manufacturing facilities. IBM China has an extensive network of partnership in research and education with universities throughout China. Notre Dame has partnered with IBM China on a range of research and educational programs over the last decade.

United Family Hospital-United Family Charitable Fund  
**Sector:** Medicine, Sciences, Healthcare, Service, [http://www.unitedfoundation.org/](http://www.unitedfoundation.org/)

China continues to change at a rapid pace. However, not everyone is able to take advantage of this rapid progress in such an advantageous way. The United Foundation for China’s Health (UFCH) provides a unique link for vulnerable populations in China and the medical care they need. Working through partner organizations which provide care to orphans, the disabled, the abused, migrant workers and the elderly, both public and private, UFCH offers these organizations access to the best medical care China has to offer. This medical care is predominately free, or at very reduced cost. UFCH provides nearly 50 partner organizations throughout China with medical services and with the launch of its new Wheels for Life Community Health Bus, UFCH will be able to exponentially grow its ability to service an even greater number of people in need.
Xiaomi Inc.
Sector: High-tech, IT, Marketing, Website: http://www.mi.com/en/

Xiaomi Inc. is a privately owned Chinese electronics company headquartered in Beijing and is the 4th largest smartphone maker in the world. Xiaomi has been ranked as the one of the world’s most innovative companies, and it is one of China’s most successful start-up stories valued at US$45 billion. Xiaomi designs, develops, and sells smartphones, mobile apps, laptops and related consumer electronics. The company has over 8,000 employees, mainly in mainland China, India, Malaysia, and Singapore, and is expanding to other countries such as Indonesia, the Philippines and Brazil. Students will be mentored by one of Xiaomi’s co-founders and assigned to projects that focus on the company’s growth strategy.

Hong Kong, China

Citigroup
Sector: Banking, Finance, Website: https://www.citibank.com.hk/

Citi, the leading global bank, has approximately 200 million customer accounts and does business in more than 160 countries and jurisdictions. Citi provides consumers, corporations, governments and institutions with a broad range of financial products and services, including consumer banking and credit, corporate and investment banking, securities brokerage, transaction services, and wealth management.

Esquel Group
Sector: Manufacture, Retail, Fashion, Website: http://www.esquel.com/en/

Founded in 1978, Esquel Group is a global textile and apparel manufacturer with a vertically-integrated supply chain that straddles from cotton to retailing. Through our retail brands PYE and Determinant, we communicate our belief directly to the world. With manufacturing facilities located in China, Malaysia, Mauritius, Sri Lanka and Vietnam, and merchandising offices servicing markets worldwide, Esquel manufactures over 100 million pieces of garments annually for leading brands including Ralph Lauren, Tommy Hilfiger and Nike. Long an advocate in innovation, environmental protection and corporate social responsibility, Esquel aspires to make a difference in the textile and apparel industry and contribute to the well-being of a wider community.
Modern Terminals
Sector: Container Terminal Industry, Website: http://www.modernterminals.com/group/index.php

Modern Terminals has been a pioneer in the growth of the container terminal industry in Hong Kong and Mainland China ever since it opened Hong Kong’s first purpose-built container-handling facility in 1972. Today, they own and operate container terminals at Kwai Tsing Container Port, Hong Kong. They operate and hold a majority of shares in DaChan Bay Terminals in the Pearl River Delta (PRD). In the PRD, they also hold equity stakes in both Shekou Container Terminals and Chiwan Container Terminal. Modern Terminals is recognized as a customer-focused service provider. Their expertise in the industry, the state-of-the-art equipment they invest in and the commitment of their people enable them to deliver a unique customer experience at the terminals they operate. This encompasses innovative solutions to exceed customer expectations. At the same time, they remain alert for opportunities to enhance their efficiency and productivity further in order to remain ahead in this competitive industry. To complement their terminal operations, they established Modern Ports in 2000. This was the first portal to provide the Hong Kong shipping community with a one-stop e-business platform. They are also a key shareholder in One Port, which boosts the efficiency of the Port of Hong Kong by offering value-added logistics services on a secure electronic platform. They hold an equity stake in V-LOGIC, a company which provides global retailers with cost-effective logistics infrastructure, warehousing and MIS support.

Teach Unlimited
Sector: Non-profit, education, teaching, Website: http://www.teachunlimited.org/en

Teach Unlimited Foundation (TUF) is a non-profit organization founded in April 2011 by a group of local parents concerned about the quality of education for socially disadvantaged students in Hong Kong. It is a charity listed on WiseGiving and was awarded the Caring Organization Logo 2015/16 and 2016/17 by the Hong Kong Council of Social Service. Its mission is to support the education and personal development of socially disadvantaged students through enhancing self-esteem, learning attitude and motivation, to develop high caliber, socially conscious and passionate university graduates as role models and future leaders to advance the cause of quality education for all, to model an effective way on mentorship and promote its integration into youth education in Hong Kong.
Reliance Retail Limited, Mumbai, India

Reliance Retail is the retail initiative of the group and is central to our consumer facing businesses. It has in a short time forged strong and enduring bonds with millions of consumers by providing them unlimited choices, outstanding value proposition, superior quality and unmatched experience across all its stores.
